Design Activity

Jan 25 2017 Understanding Sustainable Design

In this class we will be trying to understand the assumptions and implications of sustainable design.

The Task

In preparation for this class we would like to know what your early impressions of sustainable design!

*Find an image, video, song or short text (real world or online)
That reflects something you associate with sustainable design.
This does not have to be of your own creation,
but just something that sparks your imagination!*

Requirements

- Put your name on the top of each page. For the file name of the document, use your name design activity number (e.g. 'Hugh Jackman_Design Activity 1').
- Submit your assignment online on Studentportalen – you will find the link under “Design Activity Hand Ins”. The deadline is 12pm lunch time Tuesday 24th January
- Please include a reference for your submission if needed
