

Make-up task for December 5th Performing FutureS

If you were absent on the December 5th “Performing Futures” and have not contributed to your group’s performance, you are required to complete the following make-up task in order to complete the course, since this was a mandatory component of the overall examination.

The task was to share your visions and process of working with the Back to the FutureS We Want project in a creative way to the class, together with your Student-led Session group. The instructions for the task was available here (http://www.web.cemus.se/wp-content/uploads/2017/11/B2Fww_Instructions3_2017.pdf)

We ask you to share the vision that you developed through the Back to the FutureS We Want assignment in a **creative way**. This could be **visualizations** (e.g. collages, illustrations, posters, etc.), **podcasts**, **poems**, or **videos**. For podcasts or videos, please make it **maximum 5 minutes**.

You can find some resources for inspiration under “Resources” at the end of the instructions here: (http://www.web.cemus.se/wp-content/uploads/2017/11/B2Fww_Instructions3_2017.pdf)

Please submit it on Studentportalen by latest January 10th, 17.00.
