## Sustainable Development - Project Management and Communication Fall 2018

### Literature Seminar I : Challenges and Opportunities in Sustainable Development

The aim of this seminar is to examine your critical understanding of sustainable development and its relationship to projects and systems thinking. It will specifically focus on classes and literature covered in the first two weeks of the course

#### Instructions

##### **Preparation**

- Ensure you are update to date with course literature to this point

##### **Submission**

- Select two quotes from the course literature that inspire or challenge you in some way. These will form the basis for class discussion.
- Submit these quotes and reference the texts from which you sourced them.

##### **Requirements**

- Put your name on the top of each page. For the file name of the document, use your name plus assignment number (e.g. 'Name\_Seminar 1').
- Submit your seminar as a **PDF** on Studentportalen – you will find the link under “Seminars”. The deadline is the **morning of class on the 17th September, 08.00**.
- This seminar preparation task forms part of the active participation component of the course. It is designed to ensure you are adequately prepared to actively participate in the seminar and is graded as **Pass/Fail**. Failing to complete this task before the seminar will require completion of a make up task.
