Sustainable Development – Project Management and Communication Fall 2018

Project Plan Feedback

This task is very simple - we want you to give feedback on another group's Project Plan. We will email each group another group's project plan. Please keep feedback friendly but constructive and thorough.

Things to look for include but are not limited to:

- Is the project purpose and goal clear?
- Are the objectives S.M.A.R.T?
- Is the background section sufficient and well supported?
- Are the project tools complete and correct?
- Is the plan well written, formatted and easy to follow?
- Is the plan correctly referenced?
- **Any suggestions/contacts for developing the project?**

You can also use the CEMUS Grading Criteria found on Studentportalen to guide your feedback.

Instructions

- Read the instructions thoroughly.
- Write your feedback in in-text comments, or in a separate document - just as long as the comments are specific and clear
- For the title of the document, use the name of your group, the group you are giving feedback for plus 'Project Plan Feedback' (e.g. Bicycle Workshop for Fashion Show- Project Plan Feedback).
- One submission per group
- Submit as a **PDF**
- Submit your assignment online via an email sent to your fellow group and sdproject@cemus.uu.se by **Sunday October 21, 23:59**
- This assignment is graded **pass/fail**
