

# LITERATURE SEMINAR 1 – ECONOMIX

## INSTRUCTIONS

The literature seminar will take the format of a [World Café](#), it is an opportunity to discuss your perspective and understanding of ‘Economix’.

Before the seminar takes place, students are required to upload a suggested question to discuss with their peers during the class. These questions will be uploaded to a shared online noticeboard, called a Padlet.

Before submitting a post, you are required to create an account on the [Padlet website](#). This is so we can keep track of who is submitting each post.

On this [Padlet](#), you will be able to view all of your fellow students’ contributions. If you like the sound of one of the questions and you would like to discuss it in class, simply click on the up-vote icon below the post. The eight questions with the most likes will be the questions that we discuss during the literature seminar.

Padlet submissions must be contributed before the literature seminar. We will use the first part of the class to vote on the proposed discussion questions. We will then select the most popular questions to frame our discussions in the world café format.
