

Climate Change Leadership – Power, Politics and Culture

Distance spring semester 2019

Preliminary schedule and examination schedule

See www.web.cemus.se/ccl-distance for content.

The seminars are done in groups, via an online forum or any physical location of your group's choice. The date and time is also decided by the group, but should be reasonable to everybody in the group and at the end of fourth week of the different parts of the course.

Red=part of examination
