

# WEEKLY MISSION INSTRUCTIONS

*"If you want to change the world, pick up your pen and write."  
Martin Luther King Jr*

## Assignment Overview

During Module 2, we will welcome an array of guest speakers to the course to discuss their occupations, projects and lifestyles. In order to suitably engage with the guests, you are required to research the incoming guest speaker(s) and relate their work to the literature provided for that week. As Module 2 is mostly comprised of an interview series, you will get the opportunity to ask questions to all of our guest speakers.

## Task

Every week, we will provide you with the link to an online noticeboard called [Padlet](#). On this Padlet, you can upload your question for the incoming guest. We will provide this Padlet to our guests on the Friday before class in order to give them an idea of what to expect from the interview process and they will get the opportunity to pick their favourite questions to then answer in class.

## Instructions

### Formal Requirements

- Upload your question on the provided Padlet. You will find the link on the [course webpage](#).
- You are not required to make an account on webpage. If you do not wish to do so, please just leave your name at the end of your question.
- Questions must be submitted before 16:59 on the Friday before class.
